Based on your responses, Intuit Payroll can help you run your business better.

Turn On Payroll in QuickBooks Desktop

QuickBooks Desktop Payroll will create your paychecks & make direct deposits.

- **It's easy** — no prior experience necessary.
- **Get instant paychecks** — enter hours and instantly print checks or use free direct deposit.
- **Pay payroll taxes** — Federal and State Payroll taxes are calculated for you. Just click to e-pay.

[Click the blue button above to view the complete details for that offer. Terms, conditions, and fees apply.](#)
